

## Questions contained in the Soper's World Story Map

- Why do you think it was important to write detailed outfitting notes for Arctic expeditions?
- What does the inclusion of his scientific equipment in this painting tell you about Soper?
- How might he have seen his role in the Arctic?
- Can you figure out what a theodolite is used for?
- What do you think might have motivated Soper to modify his caribou painting?
- How many differences can you spot between the two images below?
- Why do you think his artworks produced in the Arctic are so different from his watercolours?
